

To Whom It May Concern:

American Youth Soccer Organization (AYSO) is a non-profit volunteer organization that is a family oriented program focusing on child development and healthy kids. Our mission is to develop and deliver quality youth soccer programs in our communities that build positive character through participating in a fun, fair, safe, and family oriented environment. We base our program on 6 core philosophies: Everyone Plays, Balanced Teams, Open Registration, Positive Coaching, Good Sportsmanship, and Player Development.

Two years ago Lebanon joined the Albany AYSO Region 870 and had 12 teams with 88 children who played soccer. Last year, we had 26 teams made up of 259 children from Lebanon. This year, Lebanon has over 300 kids age 4 to 19 participating in AYSO youth soccer programs. Our growth is making our league one of the fastest growing AYSO regions in the nation. Statistics show that nationally AYSO eventually outgrows school district facilities. AYSO in Lebanon is at the point of needing to find a larger, more permanent home.

AYSO is beginning development of a first class soccer park for the Lebanon community. This soccer park will be used to enrich our community by offering a program that promotes healthy kids and healthy families through soccer involvement.

AYSO's hope is to work with our community in building a soccer park to continue to foster our mission. All of the players will learn individual and team skills as well as learning how to incorporate healthy activity into their daily lives.

We need your help to continue this development and we are asking for your support in our endeavors. Our project is estimated to cost \$50,000. Your generous donation of any amount will be greatly appreciated and goes directly to fund the Lebanon field project. All donations are tax deductible and will be remembered for a lifetime as building a better, stronger community.

Please send any donations to AYSO Region 870. PO Box 1923 Albany, OR 97321  
AYSO tax ID# 95-6205398

Thank you for your support,

Duston Denver,  
Lebanon Field Coordinator
