A copy of this roster form must be submitted for each team prior to participation. All players on your tournament team must be listed on this roster form. Players not listed are ineligible. Players may only be listed on one roster for the entire tournament (all divisions). Players may not “fill in” on other teams. If a team is short of players at kick off, they must play short or forfeit the match. All players must be currently registered with AYSO Region 870 for the 2010/2011 season.

If a player’s Primary Season team is playing in the tournament, he or she **MUST** play with the Primary team unless specifically granted an exception by a Tournament Director (Richard Thomas).

Our goal is to provide a competition with the highest standards of fairness and sportsmanship. Thank you for participating in the 2011 Soccerfest Tournament!
